Food Cupboard Recipe of the week:
Why not make these flatbreads with an adult?

Ingredients:
200g/7oz plain or wholemeal flour
1 tsp salt
100ml/3½fl oz warm water
2 tbsp oil (olive, sunflower or vegetable), plus extra for cooking

Method:
Mix flour & water together in a bowl.
Add oil and knead to a dough.
Leave to prove for 30 minutes.
Divide dough into 6 balls and roll out into discs.

Adult job: Lightly oil a frying pan and cook flatbreads for 2 minutes each side.

Devour with yummy salad!

Science – Learn why bees are attracted to flowers in this clip:

Complete the quiz at the bottom. If you have plants in your garden you could make a colourful sign to welcome them to your garden.

PE – Get active!
I’m sure you will have seen Captain Tom Moore walking around his garden to raise money for the NHS. How many different ways can you travel around your garden? You could hop, skip, jump, dance, tiptoe, twirl…..

You could take in turns to direct someone else in your house and tell them which way to travel.

PSHE – Mindfulness challenge.
Go outside with members of your family and see what you can hear. For this you will need to be absolutely still and silent. You will be surprised by how much we don’t hear when we are busy. Can you hear birds singing? Is the wind rustling leaves? Are they any squirrels scurrying around?

Design and Technology – Create a marble run using items from around the house….please ask permission! If you don’t have marbles you could use a small ball. Recycling might be a good place to look for ideas, empty bottles, toilet roll tubes etc. Take a look at the video:

History – I’m sure over Easter you have eaten lots of chocolate. Research the history of chocolate, when was it first invented? Can you find any interesting facts about it?

Draw a rainbow with chalk to support our key workers.

Art – Can you create a landscape using pens/pencils with block colours? I have put mine in my window and it looks like stained glass. Here is the link:

Choose from this selection of activities to complete in the afternoons this week – you do not need to do them all. Some activities may take longer than others and do not need to be done in one afternoon. Take your time and enjoy working either on your own, with your brothers/sisters or with someone else in your household.
If you can, take pictures of your efforts and send them to your teacher via your class email.
